Mario Ceja, MD, is a board-certified physician providing primary care through the Imperial Valley Family Care Medical Group. He is a member of the UC San Diego Health Physician Network.

UC San Diego Health Physician Network is an alliance of health care providers based in San Diego, Riverside and Imperial counties. Members of the network collaborate on developing shared systems, infrastructure and quality initiatives to provide high-value health care in the region.

As a family medicine physician Dr. Ceja provides preventive care and treatment of acute and chronic diseases and injuries for people of all ages. Some of the kinds of conditions and services offered at Dr. Ceja's office include, but are not limited to high blood pressure management, diabetes management, high cholesterol management, allergies, arthritis and asthma.

Dr. Ceja has corroborated with the Stanford University Master of Science Degree in Physician Assistant Studies program, serving as an instructor to train physician assistants.

Dr. Ceja earned his medical degree from the University of California, San Diego. Dr. Ceja completed a family medicine residency at San Bernardino County Medical Center and is board certified in family medicine by the American Board of Family Medicine. After completing his medical education, Dr. Ceja returned to Calexico in 1996 and joined the Imperial Valley Family Care Medical Group.

Born and raised in Calexico, Dr. Ceja credits his experiences and friendships that he acquired growing up for his decision to remain in his hometown and provide healthcare. He is also involved in local schools - encouraging reading and sports activities.
