John A. Friedline, MD, is a Board Certified in Family Practitioner and Clinical Pathologist providing primary care through the Imperial Valley Family Care Medical Group. He is a member of the UC San Diego Health Physician Network.

UC San Diego Health Physician Network is an alliance of health care providers based in San Diego, Riverside and Imperial counties. Members of the network collaborate on developing shared systems, infrastructure and quality initiatives to provide high-value health care in the region.

As a primary care physician, Dr. Friedline provides a range of acute, chronic and preventive medical care services including routine checkups and illness diagnosis, treatment and management. Dr. Friedline has a special interest in Pathology and has completed a secondary certification in this subspecialty. As a Pathologist, Dr. Friedline's additional skills contribute to disease diagnosis and treatment through knowledge gained by the laboratory application of the biologic, chemical and physical sciences.

Dr. Friedline earned his Medical Degree at the Thomas Jefferson University in Philadelphia, PA. Upon completion of his medical degree, Dr. Friedline completed his Family Practice Residency program at Shadyside Hospital in Pittsburgh, PA. He later went on to complete a second Residency program in Anatomic and Clinical Pathology at the Fisher Institute of Pathology of Shadyside Hospital, where he was the Chief Resident in the fourth and fifth years of the program.

Dr. Friedline went on to complete a Fellowship in Hematopathology at William Beaumont Hospital in Royal Oak, MI and a diploma course in Tropical Medicine at West Virginia University.
